<sup>1</sup>Tyro does not guarantee any cost savings by opting in for Tap & Save. Savings on eligible transactions processed through the cheapest network vary for each business depending on their card mix, transaction volume and amount, industry, and pricing plan. Eligible transactions are contactless debit card transactions less than \$1,000. Tap & Save is not available on Special Offer pricing which includes some flat fee simple pricing offers or where you surcharge on debit card transactions as cost savings may not be realised. Xentissimo and Xenta terminals do not support Tap & Save. For details refer to the FAQs at Tyro.com or call 1300 00 TYRO (8976)
